THE FBINAA MICHIGAN CHAPTER WELCOMES YOUR INPUT - Please contact us at www.fbinaa.org

President's Message

by Dan Bateman

Welcome to the first electronic copy of the FBI National Academy Associates Michigan Chapter newsletter.

Communication with our members is vital to our organization. Likewise, your Board has the absolute responsibility to act prudently with the Chapter's funds. The convergence of those two mandates has resulted in this first ever e-edition of your newsletter. Because communication is so vital to our Chapter, I welcome your comments regarding our e-newsletter. You can weigh in with at batemand@michigan.gov or call me at (248) 380-1052.

While it is hard to believe the halfway point of 2010 has arrived, it won't be long until the late summer winds of Michigan will call our Chapter to, once again, assemble on **Mackinac Island** for our **annual fall training conference**. This will be the second of three years we will meet at the **Grand Hotel** on the island for another great training program. The Curriculum Committee has developed an outstanding agenda and is included in this newsletter.

The **National Conference** in **Boston** will be held **July 23-28** and heralds the **75th anniversary** of the **FBI National Academy**. Your Michigan Chapter is pleased to announce scholarships of \$475 are available to attendees. This equals the cost of registration but you must be in attendance to receive your reimbursement at the Conference.

The By-Laws Revision sub-committee continues to work diligently to update your by-laws and explore the possibility of a 2-year term for the president's office following my tenure. It is our goal to have the membership vote on the revised by-laws at our Fall Training Conference on Mackinac Island.

These are challenging times for law enforcement executives. The training you received at the FBI National Academy and the on-going professional relationships will help you as we all face difficult times. You are a valued member of our chapter and I salute you.

Blessings, friends, as you serve your respective departments and the citizens you protect. **Lead on!**

SPRING LUNCHEON 2010

By Gary Mayer, Vice-President

“Dr. Patrick A. Mead and FBINAA President Dan Bateman.”

The **Michigan Chapter FBINAA Spring Luncheon** was on April 23, 2010 at the Fort Shelby Hotel in Downtown Detroit. The event was attended by 60 members and honored guests. President Dan Bateman reminded all of us that the Fort Shelby Hotel was the site of the first chapter meeting 64 years ago on February 21, 1946.

President Bateman introduced his good friend and our speaker that day Dr. Patrick A. Mead. Dr. Mead is a minister and an inspirational speaker.

Patrick Mead’s theme was that we need to **“make a level path”** and not to make it harder on ourselves than we need to. He reminded us that churches are there to be resources for us in our law enforcement mission. They will surround us in prayer and be there when we need a listening ear. He affirmed that churches know we are the **“thin blue line”** protecting society and our way of life.

The luncheon served by the courteous staff was enjoyed by all. The event and social opportunity was enjoyed by all who attended. **We hope you can join us at the next year.**

“Board Member Barnett Jones and Troy Police Captain Coleen Mott at the Spring Luncheon.”

2010 COLLEGE SCHOLARSHIP RECIPIENTS

by Edward Harris – Secretary

We are pleased to announce the following 2010 high school seniors who will be awarded the FBINAA Michigan Chapter College Scholarship:

Jonathan Young, Lansing Christian High School, son of Robert Young (Session 188)

Casey Harless, DeWitt High School, son of Greg Harless (session 209)

Phillip Getzen, Lowell High School, son of Peter Getzen (session 199)

Congratulations to these students and to all of the nominees who submitted applications for the scholarships. The unique feature of this scholarship is the annual increase given to each student for continuous enrollment and sufficient grade point average. Each recipient will receive **\$250 for their freshman year** and have **\$250 added to it each year until their senior year when they receive \$1000**. **As a reminder, the student sponsor's involvement in our Chapter is a large component of the matrix used to determine which students receive a scholarship award**. While awards are based on the student's grade point, community service, and school involvement, the sponsors chapter activity is also considered in the formula. There have been instances where an outstanding student's sponsor has limited or no chapter activity and, as a result, the student did not receive a scholarship.

It is important to be involved with your Michigan Chapter of the FBINAA.

Kaitlyn will be attending the [Youth Leadership Program through the cooperation of the FBI at the FBI Academy in Quantico, Virginia](#). This year's session begins on June 24, 2010, and concludes on July 1, 2010. [Congratulations to Kaitlyn and her family!](#)

RETIREE'S CORNER

By Pierre Fortier, Retiree Representative

Greetings, members! As you are aware, every organization is trying to cut cost. While our newsletter is one of the sources of information, we explored different ideas to make the newsletter available and, at the same time, reduce costs. With that in mind, the Executive Board decided to replace the printed newsletter with the on-line version.

The electronic version will be available at www.fbinaamichigan.org web site. Just by establishing this process, your Chapter will save thousands of dollars quarterly. This will allow us to provide everyone with continued quality training programs throughout the year. It is the Executive Board's responsibility to be as fiscally responsible as possible. The electronic edition of the newsletter begins with this issue.

Should any member require a printed copy, please contact Sheila Towne of the Michigan State Police Second District headquarters office at **(248) 380-1052** and providing your address. You may also e-mail Sheila at townes@michigan.gov.

by Bob Young, Past President

FBINAA Michigan Chapter is partnering with the Michigan State Police and the FBI to provide officer safety training at the Michigan State Police Academy, Tuesday, October 12, 2010. Please register on line at www.fbinaamichigan.org . This program has been very popular, limited seating.

DESCRIPTION: This program provides information on the history and policy relating to the LEOKA (Law Enforcement Officers Killed and Assaulted) Program.

Also provided are in-depth analyses of two studies which were concluded in 1992 and 1997, and resulted in the publications “Killed in the Line of Duty” and “In the Line of Fire.” The objectives of these studies were to identify elements in certain situations which led to the ultimate felonious deaths and serious injuries of police officers. Demographic and behavioral descriptors for the victim officers and the offenders were developed and will be presented. The findings and resulting safety training issues will also be presented.

The emphasis of the presentation will be focused on the final companion study which was concluded in 2006, and resulted in a publication entitled “Violent Encounters.” This study examines 40 incidents where police officers survived life threatening attacks. Demographic and behavioral descriptors for the victim officers and the offenders were developed and will be presented. The findings and resulting training issues will be presented.

OBJECTIVE: To assist law enforcement managers, trainers and personnel in the identification of training issues for the purpose of preventing the deaths and/or serious injuries of law enforcement personnel.

PRESENTATION MEDIUM: Course content is presented by an instructor. Lecture and discussion is augmented by videotapes of the offenders and victim law enforcement personnel. Handout materials will consist of “Killed in the Line of Duty,” “In the Line of Fire,” and “Violent Encounters.”

2010 FBINAA Golf Outing

by Tom Lindberg, Curriculum Committee

The 2010 FBINAA Michigan Chapter golf outing was held on Friday June 4th at the [Links of Novi](#) and again was a great success due to the efforts of the entire Curriculum Committee. We had 112 golfers which was an additional twenty over last year's outing. Members of the committee were able to secure 14 hole sponsors. Sponsorships were more difficult this year. We would like to thank [5.11 Tactical](#), [Golf Tech of Novi](#), and [Allie Brothers Uniforms](#) for going above and beyond to support the FBINAA.

With the cooperation of the management at The Links, the costs were again very reasonable. The quality of the facility and customer service were outstanding! Because of cooperation and hard work, this was the first time in some years the Chapter did not have to underwrite some of the costs.

Congratulations go out to team #15 – [Norm Kubitskey](#), [Chris Dimitriou](#), [Ed Kritch](#) and [Ali Metaj](#) as the [overall winners for the event](#). The first-place prize was 18 holes of golf donated by the Links of Novi. A special thanks to team #17 – James Wyzgowski, Mark Wyzgowski, Patrick Nolen and Sarah Nolen of 5.11 Tactical, one of our sponsors. In their modesty, they fought hard to let others come in before them and, therefore, achieved their goal and were recognized as the 28th team. We appreciate your support and participation, 5.11 Tactical!

The **2011** outing is already being planned so mark your calendar for **June 3rd at the Links of Novi**. Any assistance with securing hole sponsors would be appreciated as this is another way we can provide a great day at a reasonable cost. For more information or to offer assistance please contact **Tom Lindberg (248) 347-0504**.

A final thanks to the entire Curriculum Committee for all the hard work planning and making the day a success!

Norm Kubitskey, Chris Dimitriou, Ed Kritch and Ali Metaj
